## Nurturing Student Leadership

# Innovation Career Pathways

## What is ICPs?

- ICPs are programs within MA high schools designed to provide students coursework and experiences in a specific high-demand industry.
  - SHS '24-25 - Business & Finance *and* Environmental & Life Sciences

## Why is SPS pursuing the ICP designation?

- Broadens our networks with MassHire, DESE, local area organizations.
- Grant fundings to support pathways implementation for all students

## How is this valuable for students?

- Assists students explore career interests in high school aligned with relevant post-secondary education and training.

Set sail. Dream. Explore. Discover.

***DESE Plans Recommending SHS For  
ICP Designation In May!***

# Internship Program Overview -

## Supporting Personalized Career-Related Experiences

Real Estate

Coldwell Banker Realty

"It has been amazing to see the material I have learned apply to real-life scenarios in the real estate world."  
~ Zach Fernandez, Intern

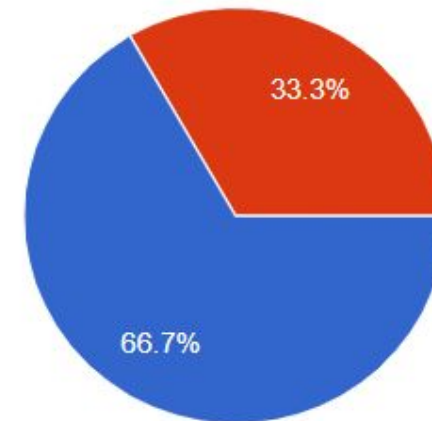

Set sail. Dream. Explore. Discover.

"A privilege to see Zach expand upon his interest with real estate in the form of CMA's, open houses and other general work." ~ Jeff Serowick, Sponsor

Please provide feedback on the following statement - - >

I feel my experiences with the internship program were designed to be personalized to the greatest extent allowable/available.
