USDA Waiver ***The USDA and MA State Government extended various waivers that allow schools to serve free meals to ALL students, through 6/30/23. We are thrilled with this news as it means that we will be able to provide all Scituate students with the option of nutritious food for free that will support them, both in school and at home.***

ALLERGIES ***Students with Allergies*** - All students eating lunch in school will be asked if they have any allergies before choosing a meal. Students/families with allergies must be responsible for monitoring meal consumption in order to maintain safety.
