

ANNUAL ASBESTOS NOTIFICATION LETTER
School Year 2024-2025

September 6, 2024

Dear Staff, Guardians. and Students,

A copy of our district's Asbestos Management Plans (AMPs) are available in each school and at the main administrative office during regular school hours. The current 3-Year AHERA Reinspection Reports are available on the school districts website ([Facilities \(scit.org\)](https://www.scit.org/Facilities)). Inquiries regarding the management of asbestos-containing materials (ACM) in our schools should be directed to our district's AHERA Designated Person, Mr. Christopher Cataldo who can be reached at 606 Chief Justice Cushing Hwy and ccataldo@scit.org or 781-545-8759.
