**Parents/caregivers and students, please sign off on all of the following:**

**Student:** I have consulted with my teacher regarding the SPS recommendation.

**Student/Caregiver:** We are requesting a waiver in the course listed below.

**Student/Caregiver:** We understand that the course we are requesting is not the one recommended by Scituate Public Schools. Because of this, my student will likely need to seek out extra support and guidance from their teacher or an outside source in order to be successful.

**Student/Caregiver:** We also acknowledge that it may not be possible to change a student's schedule after the start of the school year. Please see the SHS Program of Studies and School Handbook for additional information.
